Hon. Commissioner for Patents  
Washington, D.C. 20231

Dear Sir:

In support of the Petition to Make Special on the basis of  
37 C.F.R. § 1.102(d), and in accordance with the provisions of  
M.P.E.P. § 708.02, X, I hereby state the following:

- A. This application is assigned to ICUSA.
- B. The Assignee is a small entity.
- C. The Inventor is co-founder and Chief Medical Officer of  
assignee.
- D. Inventor and assignee's small entity status has been  
established. (See Attachment 1).
- E. The subject of the above-referenced patent application  
is a major asset of the small entity.
- F. HIV/AIDS infection and cancer has reached epidemic

proportions in parts of the world. The technology contained in the above-referenced application has the potential to save a great number of lives of those who are being treated in intensive care units.

- G. Any day of delay in the development and distribution of this technology equates, quite literally, to the death of thousands of human beings.
- H. The development and distribution of the technology contained in the above-referenced patent application will be significantly impaired if examination of the application is delayed.
- I. An expedited examination, and the subsequent grant of a patent, will provide the financial means that are needed to develop, perfect and distribute this life-saving technology.
- J. The subject of the above-referenced application contributes to the treatment of HIV/AIDS and cancer because it provides for consistent and expert attention to those individuals in intensive care who are stricken with these diseases, thereby reducing mortality of such ICU patients. (See Attachment 2.)

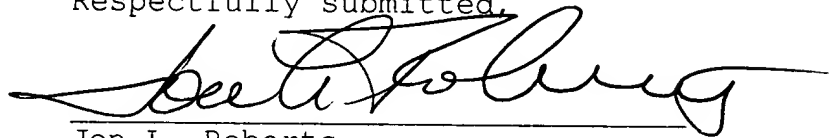

I declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are

Title: System and Method for Providing Continuous, Expert Network Critical Care Services From A Remote Location(s)

As a below named inventor, I hereby declare that I qualify as an independent inventor as defined in 37 CFR 1.9(c) for purposes of paying reduced fees to the Patent and Trademark Office described in:

- ☐ the specification filed herewith with title as listed above.
- ☒ the application identified above.
- ☐ the patent identified above.

I have not assigned, granted, conveyed or licensed and am under no obligation under convey or law to assign, grant, convey or license, any rights in the invention to any person who would not qualify as an independent inventor under 37 CFR 1.9(c) if that had made the invention, or to any concern which would not qualify as a business concern under 37 CFR 1.9(d) or a nonprofit organization under 37 CFR 1.9(c).

Each person, concern or organization to which I have assigned, granted, conveyed, or licensed or am under an obligation under contract or law to assign, grant, convey, or license any rights in the invention is listed below:

- ☐ No such person, concern, or organization exists.
- ☒ Each such person, concern or organization is listed below.

ICSUA

Separate verified statements are required from each named person, concern or organization having rights to the invention averring to their status as small entities. (37 CFR 1.27)

I acknowledge the duty to file in this application or patent, notification of any change in status resulting in loss of entitlement to small entity status prior to paying, or at the time of paying, the earliest of the issue fee or any maintenance fee due after the date on which status as a small entity is no longer appropriate.(37 CFR 1.28(b))

I hereby declare that all statements made herein of my own knowledge are true and that all statements made an information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under section 1001 of Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of the application, any patent issuing thereon, or any patent to which this verified statement is directed.
